

Are you looking to learn more about empirical methods and/or engage in lively discussions on ELS? Join the ELS lab meetings! You're welcome to join, regardless of your degree of experience with ELS.

The lab meetings cover a wide range of empirical research methods and ELS-related topics. We offer a possibility to learn about each other's research and experience and test out ideas and receive feedback on work in progress.

DATE

SESSION

30 MAY, 11:00-12:00
B2.M07 (KOG)

WORK IN PROGRESS SESSION

TOPIC: A survey on the internalization and effectiveness of constitutional norms by Jelle But

15 JUNE, 14:00-15:00
B0.35 (KOG)

GUEST LECTURE

TOPIC: Law, sustainability and behaviour by prof. Linda Steg

3 JULY, 12:00-13:00
Global lounge (KOG)

LUNCH & LEARN

TOPIC: Pitch your research workshop

To sign up, accept the outlook invite or send an email to Kimia Heidary, k.heidary@law.leidenuniv.nl, or Sarah Vandenbroucke, s.e.m.vandenbroucke@law.leidenuniv.nl. You're welcome to join, regardless of your degree of experience with ELS!

Work in Progress (Hybrid)

30 May, 11:00 - 12:00

Work in Progress Sessions involve presentations of work in progress. This can be at any stage of the research process, from the design to writing the actual paper. It is in particular a nice opportunity to receive feedback on empirical ideas and get suggestions on how to improve the methodology.

WHERE B2.M07 (KOG) and online

TOPIC **A Survey on the internalization and effectiveness of constitutional norms by Jelle But**

Constitutional norms that have been internalized by citizens may exhibit increased efficacy in comparison to those that have not been internalized. Internalized norms provide a more robust foundation for judicial or governmental decisions, resulting in an enhanced perception of governmental legitimacy and, consequently, greater compliance with the law by the public.

In this ELS lab meeting, Jelle But will discuss his survey on the extent to which Dutch constitutional norms are internalized by Dutch citizens. Furthermore, he will address challenges he encountered and new insights gained.

Guest Lecture (Hybrid)

15 June, 14:00 - 15:00

Law, sustainability and behaviour are heavily intertwined. Prof. Linda Steg, Professor of Environmental Psychology (RUG), will present an ELS lab about her research on the interaction between people and their environment.

WHERE B0.35 (KOG) and online

TOPIC **Law, sustainability and behaviour by prof. Linda Steg**
How does the environment influence people's behavior and wellbeing, how do people influence the quality of nature and the environment, and how can environmentally-friendly behavior be promoted?

During this ELS lab, we will discuss possible collaborations between law and environmental psychology and how these fields could enhance each other. There will be plenty of opportunity for Q&A and discussion.

Lunch & Learn

3 July, 12:00 - 13:00

Lunch & Learns are informal, interactive sessions where we discuss an ELS-themed topic, while enjoying a healthy lunch. It is an opportunity to share your opinion and experiences with regard to doing empirical legal research and to learn from peers. Join us for this informal session; everyone is welcome, no matter your level of expertise.

WHERE Global Lounge, KOG

TOPIC Pitch your research workshop

Academics are often asked to 'pitch their research' in a few sentences, to practitioners, for the press, for grants or simply for their colleagues.

During this workshop, you will learn how to best present your research to ensure that your respondent quickly understands your topic and problem statement, and how it concerns them. Sarah Vandembroucke will present key elements of an elevator pitch, before inviting everyone to try out their own pitch and reflecting together on how to improve it!

***It is not possible to attend the session online.
We look forward to seeing you at the KOG!**
